EXPAND HOSPITAL FACILITIES

BUILD LARGE HOSPITAL IN TIMISOARA -- Bucharest, Viata Sindicala, 13 Dec 51

A new hospital has been completed under the auspices of the C.F.R. (Rumanian State Railroads) in Timisoara. It has the newest medical apparatus and is divided into three units: internal diseases, surgery, and ear, nose, and throat. Over 100 beds are now in use and by the end of 1952 another 100 will be added.

SET UP NEW CANCER CLINIC -- Bucharest, Universul, 6 Jan 52

A new cancer clinic has been established at Hospital No 1 (formerly the Central Hospital) in Iasi. The clinic specializes in treatment of cancer cases in female patients and uses the latest Soviet methods of treatment. The clinic has 50 beds, four modern X-ray machines, and a large group of specialists. Satisfactory results have been obtained in many cases.

BUILD NEW MEDICAL UNITS IN TELEORMAN REGION -- Bucharest, Universul, 17 Jan 52

The number of maternity hospitals in the Teleorman region increased from five to 35 in 1951, and the morality rate in mothers was correspondingly reduced by 12 percent. In Rosiori de Vede and Alexandria two fully equipped tuberculosis dispensaries were instituted. Further additions to facilities in these two towns are modern obstetrical clinics, ambulance service, blood centers, dental centers, and the like. All hospitals were electrified and furnished with the latest equipment. During the past year, over 22 million lei were spent by the people's councils for free medicines for the population of these two towns.
